Hi Conrado,

Sorry for the delay in responding. I'm checking with our accounting to see who the check should be addressed to. Will you be preparing another motion to accept the check from the N Fig Association?

Thanks!

Misty, Arturo and Rebecca,

We will need the BID's approval of \$6,000 to the City of Los Angeles.

Austin and Carlos,

To whom does the North Figueroa Association make their \$6,000 check payable to? The City of Los Angeles? What should they note in the memo? Please respond to everyone on this email string.

Attached is the motion.

Hello Conrado,

I will be attending the North Figueroa Association Meeting tomorrow morning.

This will be the last meeting before they break and return in September.

Do you happen to have an update regarding what is needed from us to write and introduce the motion? I also have a status-update meeting next week with LADOT and the project team.

Thanks

Good Morning Conrado,

Quick question regarding the checks.

Would it be appropriate for the Council Office to accept a check coming from the North Figueroa Association in the amount of \$6000? Misty is working on getting the committed funds at this time and inquired if this would be a possible option in order to move the process forward.

Please let me know.

Thank You,

Hi Conrado,

Brief update:

I walked the corridor today and distributed the approved letters to property owners and some residents regarding the status to the streetscape improvement project. I focused in the areas immediately impacted with construction, but also walked into some business' not so near the cut-outs.

Owners are pretty excited of the work to come and they send their regards to the Councilman.

Also, Misty received commitment for the \$6000.00 to help pay for the 15th Tile.

Once she receives the checks from the different organizations who committed support, how can I help with the process in passing the motion?

I would like to provide any assistance as possible during this process.

Thanks,

I have attached two revised letters, in English and Spanish. I removed my name from the signature and added to the body of the letter. I included your name in the signature of the letter, being that it's on CD1 Letter head.

If you recommend any changes, please let me know.

Subject: DRAFT Letter RE: Avenue Tile Cut Outs on 4/20

Good Afternoon Conrado and Misty:

I have created a draft letter regarding the scheduled Avenue Cut Outs taking place on April 20th from 8:00 AM – 4:00 PM.

It provides a current update to the Highland Park Project, along with information about the planned Avenue Cut Outs.

If possible, can you review the letter for approval?

Once the letter is approved, I am happy to drop off the letter to impacted businesses along the corridor.

Please let me know if you have any questions.

Thank You,
